PRAYER FOR SOUL TIES

Father God, if my soul has been bound or knit together with any of the following people in an ungodly or unhealthy way, I ask You to forgive me. Please forgive me if I looked to them to meet my needs rather than You, putting them before You. I confess this as sin, and I repent of the sin of idolatry.

I now choose to loose my soul from all ungodly soul ties I have with each one of the following people:

Please forgive me if I have held any unforgiveness toward them. I choose by my own free will, and from my heart, to forgive them for any way they may have sinned against me. I ask You to forgive me for anyway I have sinned against them. I release them to you. I ask You to bless them with Your truth and to set them free. Please restore every blessing that was stolen from me because of these ungodly soul ties.

I confess as sin if I have listened to the lies of any demonic forces concerning these people. I ask You to forgive me. I break those agreements now. I loose my soul from all claims, ties, curses and judgments these people may have had against me. Lord, I ask You to remove all demonic power from my life that has been afflicting me because of these negative ties and agreements. I ask You to cleanse me with Your blood from all the effects and defilement these ungodly ties and covenants produced. Please restore Godly and healthy relationships to me. I put the blood of the Lord Jesus Christ between me and each person I have named as well as any demons that may be in or around them.

Thank you Lord for doing this for me. In Jesus Name, Amen.
