## PRAYER MINISTRY GUIDELINES, APPOINTMENT POLICY & INDEMNITY RELEASE:

Welcome to Transformation Ministry Center. We are excited to serve you! We created the following guidelines to ensure clear expectation and communication is met. As you read through this document, please initial, sign and date where indicated. Please let us know if you have any questions!

“Search me, O God, and know my heart; try me and know my anxious thoughts; and see if there be any hurtful way in me, and lead me in the everlasting way” Psalm 139:23-24. This prayer of David is powerful because it communicates to the enemy that his time is up, he is being exposed and no longer can he have strongholds on your life. These simple words give the Lord permission to release His abundance to you. As you prepare for your appointment we ask you invite the Lord to search your heart. He knows exactly what needs exposed, repented and healed. Be excited to ask Him to expose any sin that’s been hidden. It’s important to understand He is a gentleman. He will approach everything with grace and unconditional love. There is no condemnation in Him (Romans 8:1). With His direction, we believe you will find the greatest level of breakthrough.

Within your ministry time, you may be given suggestions for consideration, but we will not tell you what to do. There will not be an attempt to “fix” you. All true healing, deliverance and restoration comes from the Lord, we are just His facilitators. We will encourage you to seek God for direction and guidance. However, your own life choices and decisions are your responsibility. Keep in mind, God’s direction for you, as you perceive it, may result in major life changes—sometimes people experience change in jobs, relationships, health or home when they follow what they hear as God’s direction.

Our prayer ministers facilitate a safe and comfortable setting for introspection, confession of sin and prayer for deliverance from spiritual bondage. We protect your private information and ensure the maintenance of confidentiality. We teach from the Holy Bible and together we may discuss scripture pertinent to your needs.

If you choose, we can explore the deep wounds of the past and ask God to bring His divine healing and restoration to those places in your heart. Sometimes distressing and unresolved memories may surface during prayer ministry that may include high levels of emotional or physical sensations. If this is the case, you may find your emotional state worsens before it improves. Transformation Ministries does not provide urgent care or emergency mental health services. We encourage you to develop a strong support system in your life for ministry aftercare, emergencies and ongoing support. This may include your church, a prayer team, a support group, trusted family and friends.
